

Hello

My name is Ueide Teixeira, I'm a UX UI Designer.

I worked as a UX UI Designer on 2 volunteer projects. I have experience working with digital accessibility, CRO, mobile and desktop interface, research methodologies, surveys, usability testing, prototyping, journey mapping, interaction design, wireframe, and more.

I've been improving myself by doing courses and little projects.

I have experience as a teacher in the health field for seven years. In this role, I develop skills such as communication, active listening, empathy, leadership, collaboration, problem-solving, and creativity.

I make myself available to answer any questions.

Thank you for your time.

Best regards,

Ueide Teixeira

Summary

I worked as a UX UI Designer for two volunteer works. I have experience with digital accessibility, CRO, mobile and desktop interface, research methodologies, survey, usability testing, prototyping, journey mapping, interaction design, wireframe, and more.

Projects

Conexao Solidaria / volunteer work / January 2022 - May 2022

I worked as an end-to-end UX UI designer.

I proposed a solution for an accessible research website. I used desk research, user journey, heuristic analysis, digital accessibility analysis, survey, flowchart, wireframes, usability testing and prototyping.

Floriculture E-commerce / November 2021 - January 2022

I worked as a UX UI designer from the project's end to end.

I designed a solution proposed for an e-commerce application for floriculture. I used desk research, competitor analysis, survey, persona, flowchart, wireframes, usability testing and prototyping.
